

Christmas Parties 2022

Xmas

never sounded so good

# What's Pop Golf?

It's crazy golf, in a pop music video. Expect nothing but bangers, positive vibes and 21st century pop.

## Awesome music

The ultimate pop music fan zone with expertly curated playlists and a sound system that'll blow your mind not your ears.

## Banging cocktails

Get loose with our pop themed menu, featuring all our latest hits – including the Candy Shop, Gin Styles, Dutch Blonde and more.

## Game on!

Bring out your competitive side, pimp your insta, knock back a few drinks, geek out with fellow pop nerd and kick back in our mezzanine level sound lounge.

# The ultimate instagram venue

Our 9 hole course takes roughly 30 min to play, and is purpose built for Instagram. Every hole has been designed to reflect a different genre of pop, and taking photos is part of the game. There's no need to leave the fun for drinks with the bar right beside you.

Plus, if you fancy a break from showing your mates how it's done, kick back with some drinks in our mezzanine level sound lounge with comfy seating, a full view of the course and food of your choice from the BOXPARK Wembley street food concepts.
